You have been awarded education benefits under the Montgomery GI Bill - Active Duty Educational Assistance Program (Chapter 30) as described below. Check each item and promptly notify the VA if any information is incorrect.

Monthly Rate	Training Time	Beginning	Ending
\$1,928.00	Full	08-29-18	12-19-18

The above monthly rate is for a full month of training. Payment for the first and/or last month of the term may be less because you only get paid for part of the month you attended.

You must verify your enrollment on a monthly basis for VA to continue benefits. If your enrollment does not change, you can submit your enrollment by calling toll-free 1-877-823-2378 on a touch-tone phone. You may also submit your verification on our internet site at [www.gibill.va.gov](http://www.gibill.va.gov). Follow the link to the Web Automated Verification of Enrollment (WAVE) program. If your enrollment has changed during the month, you must verify your enrollment through the WAVE program. You must do this each month before we will send your payment. Verifications are processed starting the last day of the month. Both methods are available 24 hours a day, 7 days a week. We will pay benefits for the period verified based on the information you provide

Benefits cannot be paid for a course from which you withdraw, or a course in which you receive a grade that does not count toward graduation unless acceptable mitigating circumstances are presented. You must promptly inform your school and the VA of any change in your enrollment.

As of 12-20-18, your remaining entitlement will be 5 month(s) and 5 day(s) if used before your delimiting date of 10-01-25.

You must maintain satisfactory progress and conduct in your program of education or training to receive continued education benefits.

Promptly notify the VA Regional Office shown at the top of this letter of any change in your enrollment status or address.

If you have any questions regarding your claim, you may contact the VA Regional Office nearest you. Consult a telephone directory under United States Government, Department of Veterans Affairs, for the number of the nearest VA Regional Office. Toll-free telephone service is available in all 50 states.
